4 Benefits You Get From Earning Royalties

1. *Enjoy Expert Status*

When you create a digital product in your niche, you become an author and an established expert.

2. *Work With Your Passions*

You get the joy of working and creating in areas you are passionate about. Doing what you love makes work engaging and fun.

3. *Relax with Leisure Time*

Perpetual royalties from your own virtual products can free up your time. You can use this time for relaxation, play, family, study, travel, community service, or whatever you choose.

4. *Experience the Freedom Lifestyle*

Once you get the royalties architecture in place, the payments can keep on flowing for years.

4 Secrets to Help You Earn Royalties

1. *Create Products that People Want*

Just because you like something, don't assume that others like it too. Learn what people want. [Royalties University™ Lesson 2](#) shows you how to do this.

2. *Ensure a Large Enough Audience Size*

Your product "niche" must have a big enough pool of potential customers. The introductory lessons at Royalties University™ will show you how to do this.

3. *Advertise Your Product*

People won't beat a path to your door (or website) just because you have a great product. They can't buy it **if they don't know about it**. Lesson 3 covers Persuasion and Promotion.

4. *Learn from the Experts*

Find people who successfully earn royalties and learn how to do it from them. I live completely off of royalties, so my [Royalties University™ Lessons](#) come from my years of experience.
